

**REMARKS**

Applicant would first like to thank the Examiner for the careful review and examination of the instant application. The Examiner is correct in that claim 5 does not specifically refer to the limitation as originally provided in claims 6 and 7 which were indicated as being allowable. By this amendment, claim 5 has been amended to include the subject matter as originally provided in claims 6 and 7 with the addition stating that the images are transmitted to a recipient. In addition, Applicant has cancelled claims 6, 7 and 10. Accordingly, the objections to claims 5, 6, 7 and 10 are no longer applicable. Claim 20 has been amended to overcome the objections as suggested by the Examiner.

Applicant would like to clarify a statement made in the previous response with respect to claims 21 and 22 on page 12. Reference should have been made to claims 22 and 23. Claim 22 is a combination of old claim 5 and claim 10, and claim 23 is a combination of old claim 5 and claim 10.

In view of the foregoing it is respectfully submitted that the claims in their present form are in condition for allowance and such action is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)
